Tulsa OK 74128

Dear Rocky:

I received your fax concerning the *Transfer of Notice of Intention Small Mining Operations* form dated 1/15/02.

Before we are able to accept this assignment we will need to have the transfer of title of 42844-A to Miracle Rock Mining and Research.

In resubmitting the form *Transfer of Notice of Intention Small Mining Operations* you will need to make some corrections on your form.

1. **Name of Claim/Mine.** The name that is registered with the Utah Division of Oil gas and Mining as "The Rockland Mine".
2. **File Number as assigned by DOGM.** S/015/085
3. **Name of the Company/Operator** (Transferee) page 2 should read Miracle Rock Mining and Research.

Please make the proper corrections on the *Transfer of Notice of Intention Small Mining Operations* form and file the appropriate paperwork with John Blake of Utah School and Institutional Trust Lands Administration to transfer the title of 42844-A to Miracle Rock Mining and Research. This should expedite the process.

Sincerely,

David J. Taylor  
President

CC: John Blake  
Paul Baker

Dear Dave,

Enclosed is the transfer documents authorizing the transfer of our lease 42844-A into your company name Mineral Rock Mining. An original of my signature was sent to Paul Baker at the DOGM and the copy is enclosed for your records. To consummate the transfer you must sign the second page as the new operator and send your original signature to Paul Baker and a copy of that page back to me.

Yours sincerely,

Rocky D. Heinrich  
President

## DIVISION APPROVAL CERTIFICATION

This is to certify that I have examined this application for transfer of the aforementioned small mining operation and do hereby grant approval of the same, subject to the following limitations:

- (a) This transfer of small mining permit grants only the right to affect the lands as legally described in this application.
- (b) The transferee, or such other person as required by UCA 1953, Title 40-8, as amended, has acquired the legal right to enter and mine the lands as described in this application.
- (c) A topographic map of suitable scale is attached (as Appendix "A") which clearly outlines and labels the existing disturbed area boundaries through the date of this transfer.
